EPICENTER THERAPY SERVICES GROSS MOTOR GROUP

This group will assist children ages 5-10 who have trouble keeping up with their peers during physical education, recess, and sports activities. There will be one therapist and one aide for a group of up to 6 children. Each child will be assessed individually. The group will meet once a week for 8 weeks. The summer session will be more sports focused and many sessions will be held outdoors. The school year program will focus on more indoor activities.

STAFF

Claire Adam, DPT, worked as a school based physical therapist for several years in Seattle, and has been a PT for Epicenter for 2 years. She is trained in developmental assessments and is pursuing additional training in aquatic therapy.

Nancy Harris, DPT, has been working at with kids in a variety of different settings for over 10 years, and has been a PT at Epicenter for 1. She has been an Eagle Mount volunteer, personal care attendant for kids with special needs such as CP and autism, and has worked for the Child Development Center in Missoula.

Holly Kassner, COTA/L, is an occupational therapy assistant who works with school aged children and will be working as an aide for the group
